WARNING CONCERNING COPYRIGHT COMPLIANCE
The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted materials. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of the Copyright Law.

I understand that the material I request may be subject to "fair use" copyright restrictions (Title 17, U.S. Code). I hereby authorize the Briscoe Library to process all requests I submit and agree to pay all charges incurred for the service.
